Description of Digging/Utility/Alteration: _____

Name of Applicant: _____

Telephone: _____

Applicant Address: _____

Date of Digging/Utility/Alteration within City: _____

Proposed Digging Route: PLEASE DRAW/ATTACH THE ROUTE ON THE CITY MAP ON THE REVERSE SIDE OF THIS APPLICATION.

I, the Applicant have checked the route and will cooperate with the departments listed below to avoid striking any of their utility service lines and will follow the route as I have indicated on the map on the reverse side of this application.

The Departments listed below will be given a copy of this completed permit application for their review and comment. Any issues by the departments listed below shall contact the applicant to coordinate any issues or concerns prior to the digging date indicated above. The Applicant shall also contact the departments listed below with any concerns about utility locations, insurance, dates and time of the digging. Some of the departments listed below may require a special permit application for their requirements in addition to this permit.

These Utility Companies may require the Applicant to post a Deposit Fee equal to the anticipated amount required to compensate the Utility Company for any utility and public property repairs or alterations occasioned by such digging. Verify if a deposit will be required, by contacting the utilities listed above.

APPLICANT'S CERTIFICATIONS AND COMPLIANCE:

The undersigned hereby agrees that if this permit is granted, all work performed shall be in accordance with the City of Granite Falls standard specifications for Street Openings or Excavations (Ordinance 85, 2nd Series). The undersigned also agrees to properly barricade the area and light it at night to protect the general public. The undersigned further agrees to save the City of Granite Falls harmless from any and all damage suits which may arise from the above work. The undersigned carries Contractors Public Liability Insurance to maintain this protective coverage.
